MACS EQUINE

COOL HEAT RUG

By lifting the blanket 12mm off the horse's body and allowing the horse's hair follicles to function naturally, the Cool Heat rug is an effective winter turnout rug that allows air to circulate over the horse's body to prevent chills and overheating. \$220 delivered.

BACK ON TRACK

Fleece Blanket

A therapeutic rug made from fabric containing polyester threads embedded with a fine ceramic powder to reflect the user's body heat back into the body in the form of FAR infrared waves, the Fleece Blanket increases blood circulation and relaxes nervous, tense horses. It also eases stiff backs and tight muscles. \$300.
